Welcome to The Wimbledon Club

Welcome to The Wimbledon Club's tennis section, part of a thriving and busy multi-sports club nestled in the leafy suburbs of Wimbledon. We look forward to an enjoyable year of tennis at our club across both our adult and junior programmes and we hope to see as many of you around the club as possible taking part in many aspects of club life.

The Club offers members the opportunity to play socially, in box leagues, club tournaments, inter-club matches and in teams which compete throughout the year in county and national competitions.

There are also comprehensive adult and junior coaching programmes, providing group and individual coaching, including Cardio Tennis, throughout the week. Our junior tennis programme offers popular termly group sessions, thriving holiday tennis camps and junior social tennis. We also have a highly qualified team of LTA accredited tennis coaches who are available for private and small group lessons for members, and a high-quality ball machine which can be hired out for a small fee.

We have 18 high quality tennis courts (including 6 beautifully maintained grass courts), with 3 of these covered by an indoor Dome in the winter months. Two courts have recently undergone an exciting makeover and we now have two brand new porous acrylic courts.

We have a great restaurant and bar area in the clubhouse, providing an excellent food and beverage service, with the balcony overlooking the grass courts a perfect space to relax, unwind and enjoy the club. The tennis section is proud to be sponsored by Babolat, and we provide a tennis racquet restringing service and sell tennis balls for members to purchase at the bar.

The tennis section is governed by the Tennis Committee, and run on a day-to-basis by the Tennis Director and Tennis Administrator.

If you would like any more information about any of the above, or have any queries, please email Ross at director@twctennis.co.uk and Michaela at admin@twctennis.co.uk

Code of Conduct

INTRODUCTION

This code of conduct and policy on court etiquette sets out what the Club regards as good practice for all members to follow, and is available so that every member is clear as to what is expected of them in order to create the right playing environment in which everyone can enjoy their tennis.

Both the code of conduct and the policy on court etiquette reflect the friendly and co-operative spirit which members at the Club have enjoyed for many years, as well as advice from the LTA. The Tennis Committee of the Club is confident that this ethos will continue and sees this as important in maintaining the Club's reputation.

The Code of Conduct sets out minimum standards of behaviour, which all members are expected to follow, and seeks to avoid any serious issues arising. The policy on court etiquette then sits alongside the code of conduct and sets out a range of actions and behaviours, which are considered acceptable or unacceptable on and around the tennis court.

Should a breach of the code of conduct or a serious breach of the policy on court etiquette occur then the Club has a complaints procedure to deal with that.

AIMS OF THE CODE OF CONDUCT AND POLICY ON COURT ETIQUETTE

The aims of this code of conduct and policy on court etiquette are to:

1. Ensure that all members are treated fairly and with respect;
2. Advise all members of the standards of behaviour and court etiquette which they are expected to meet so that an environment is created within which members can enjoy their tennis and the Club can continue to flourish

CODE OF CONDUCT - STANDARDS OF BEHAVIOUR

All members are expected to treat all other members and all other players respectfully. The Club will not accept any behaviour which may cause any physical or mental harm to any other member or player.

Unacceptable actions will include:

- Being abusive or showing aggression towards another member or player;
- Swearing;
- Racket throwing;
- Intimidating another member or player;
- Creating a danger to another member or player;
- Calling into doubt the integrity of another member or player such as by repeatedly querying line calls.

POLICY ON COURT ETIQUETTE

Tennis etiquette covers different areas from those addressed within the rules of the game. Etiquette covers a range of actions and behaviours which are considered acceptable on and around the tennis court.

The TWC Tennis Section policy on etiquette covers these areas:

Showing respect and being courteous

- Welcome new members and players to the Club irrespective of their experience of the game and their level of play;
- Show respect and courtesy to your partner, your opponents, staff and others on or around the courts;
- Instead of criticising your partner or opponent, offer encouragement instead;
- If a loud dispute during a match occurs, take it off court and away from other players on adjacent courts;
- Do not walk behind courts when a point is in progress to avoid causing a distraction;
- During play and particularly between games keep the amount and volume of conversation to a minimum so as to avoid distracting players on other courts;
- If a ball from an adjacent court strays onto yours do not hit it back immediately but do so when the players on that court are ready and then hit it to the server's end of that court;
- Courtesy to your opponents should include leaving the court together at the end of the match.
- Do not stand at the side of a court and talk

Do not walk onto another court during a game

- Before crossing a court to get to yours, wait for the conclusion of the point or if the match is a competitive one, wait until the end of game, or until you are invited to cross, and do so as quickly as possible;
- Close the gate behind you (if allowed by Covid-19), as you would on your own court;
- Be aware if you are already playing on court that others may wish to cross your court in order to access their own court and facilitate that where possible;
- If your ball rolls onto an adjacent court, wait for a break in the play in that court before politely requesting its return rather than retrieving it yourself.

Line calls

- Only call the lines on your side of the net;
- Call clearly on the basis of what you honestly believe to be correct;

- If you are not certain, or did not see the ball clearly, the ball was good and the doubt must be given in favour of the opponent;
- If occasionally you have serious doubt over a line call, ask your opponents politely if they are certain as to the accuracy of their call, and if they are, move on and play the next point;
- If there is doubt over a line call, consider offering to replay the point.

Keeping score

- The server should announce the score before each point;
- If the server forgets or does so inaudibly, the receiver should request the server to make an audible announcement of the score.

Mobile phones

- Mobile phone calls should not be made or received on court; leave the court to make or receive a call;
- Mobile phones taken onto court should be switched off, or put on silent or vibrate mode, so as to avoid creating a distraction.

Clothing and footwear

- Players should wear recognised tennis clothing of any colour together with tennis footwear;
- Tennis footwear is required both to promote safety as unsuitable footwear can provide insufficient grip, and also to prevent damage to the courts.
- Dimpled grass court shoes should not be worn on the grass courts

We ask all members to pay attention to the above rules of etiquette and not be offended if you are reminded by a member of staff or other member of the Club.

Court Booking User Guide

All members are put on our online court booking system called MYCOURTS® when you join the Club.

Logging into mycourts

All courts are bookable on the Mycourts® booking system.

You can log into your account via the following link:

<http://thewimbledonclub.mycourts.co.uk> and log in using your username and password.

If you have any issues with logging in or accessing your username and password, please contact Michaela at admin@twctennis.co.uk

Adding credit to your booking account

Every member has a personal booking account which holds credit for the purpose of making an indoor booking, paying a guest fee or booking onto a group session. Your balance is shown on the left of the screen after you log in. Bookings may only be made if enough credit exists in your account to cover the booking fee. Please add credit by paying online using a debit/credit card.

Paying Online

Log in and choose the “Buy Credit Online” option and follow the instructions. You can choose the amount of credit you wish to add in a single transaction.

Making a court booking

Select the day you wish to make a booking from the ‘Booking Sheets’ menu. Members may book grass courts online from 10am the day before play, and non-grass courts online from 10pm up to 8 days in advance for full members and off-peak members.

Select the court and time(s) you wish to book and confirm the booking.

Guest fees

An adult member may invite guests on up to 12 occasions per year.

On each occasion, the member may invite up to 3 guests. No guest may be introduced more than 12 times per year.

Members must pay for their guest fees at the time of booking by selecting the appropriate guest fee from the drop-down menu when selecting their playing partners. If a member is bringing 3 guests, then 3 guest fees must be paid as playing partner 1, 2 and 3. Guest fees stated are per visit per guest.

Please note: Members only need to select their guest fee(s) **for the first 30 minutes** of their booking. To ensure you are not over charged, please UNTICK the box that automatically adds your playing partner into each 30-minute slot of your booking.

If you have any issues, please contact Michaela at admin@twctennis.co.uk

Court	Peak Guest Fee (6pm-10pm Mon-Fri) (7am-6pm Sat/Sun)	Off Peak Guest Fee (7am-6pm Mon-Fri) (6pm-10pm Sat/Sun)
Grass	£20	£10
Indoor	£15	£8
Outdoor	£10	£6

*Juniors may only invite guests at off peak times and the guest fee for another junior will be 50% of the adult fees.

Please note:

If a member has accidentally selected the incorrect guest fee for their booking, the tennis section reserves the right to adjust the fees accordingly on their MyCourts account.

Checking in

Check-in is not currently required, however we are investigating how this may be done using an app in future.

If you are not playing within 15 minutes of your booking start time, you forfeit your booking rights and another member is entitled to use the court for the duration of your booking.

Booking cancellations and refunds

As a courtesy to other members, all members must cancel a court **as soon as possible** so that the court may be booked by others.

To cancel a court, log in and select “My Bookings”. Your booking fee is automatically refunded as credit in your account when cancelling at least 48 hours prior to your booking.

If you cancel a court less than 48 hours prior to the booking, the booking fee is only refunded if the court is subsequently booked by another member.

Personalising your account

Log in and select “My bookings”, “My Settings” and “My Profile” tabs to personalise your booking account.

My Bookings contains all your bookings, including those made by other members who have selected you as an “opponent”. Useful features include: click on the envelope to send an email message to an opponent for a booking; click on an opponent’s name to view their contact details; click “cancel” to cancel a booking.

My Settings allows you to change your password, PIN and subscribe/unsubscribe from email alerts including confirmation of your court bookings/cancellations and cancelled court alerts (select the days of the week and times of interest to you).

My Profile allows you to see and edit how you appear to other members in the members' directory. Upload photos and edit your contact details and member profile.

If you have forgotten your PIN, username or password you can retrieve them using the 'Forgotten Password' link on the Mycourts® website:

<http://thewimbledonclub.mycourts.co.uk> and entering your email address. Providing this matches the email address stored in the Mycourts® database, you will receive automatic reminders.

Turning on floodlights

Lights for the floodlit courts will automatically turn on when you have a court booking.

Court Booking Rules

Booking rights

Full adult and off-peak members may book grass courts from 10am the day before play and non-grass courts from 10pm up to 8 days in advance.

All junior members may book courts 8 and 12 to 16 from 10pm up to 4 days in advance at off-peak times only. Juniors aged 15 and over may make one 90 minute booking per week at peak times up to 8 days in advance. All juniors may book any court after 9am on the day of play.

Full members currently have a court allocation of 6 hours per week with no more than 3 hours of that allocation allowed to be booked at peak times. Members may book their court allocation in 30 minute slots as they wish with up to 90 minutes bookable on any given day. Members are able to book an additional 90 minutes of court time on the day of play. Please note this court allocation is under constant review and is subject to change dependent on court capacity and court usage.

All members and coaches must enter the names of their playing partners/clients at the time of booking or **at least before play commences.**

When cancelling a clay court in favour of a grass court, members must first cancel their clay court so that court becomes available for other members to book. The member booking a grass court must also ensure that all playing partners are named on their new booking.

PLEASE NOTE: The groundsmen reserve the right to close any grass court(s) on the day of play if they deem it unplayable due to rain or schedule it for rest. Therefore any grass courts booked before the day of play are booked at members own risk. The status of the grass courts will be confirmed by no later than 10am on the day of play. Please check on mycourts for the status of the grass courts on any given day. If a court is labelled as "closed" on the booking sheets, then it will not be available for play that day and any bookings on that court will not be able to go ahead.

Please note: The Tennis Administrator reviews the booking sheets on a daily basis to ensure court bookings have named playing partners and the appropriate guest fees. If a member has a booking without a named playing partner/s, a soft reminder email will be sent to them to request the name of the playing partner/s. If a member has 5 separate bookings where no playing partner has been named, the tennis section reserves the right to deduct the appropriate guest fee from their MyCourts account.

Court availability

All courts are bookable in 30-minute slots up to a maximum of 90 minutes in one booking/day via MyCourts. Members are asked to avoid leaving 30-minute booking gaps where possible.

Grass courts may be booked between 10:30am and 9pm on the day. All other courts may be booked between 7.30am and 10:30pm (10pm on Sundays).

Member booking fees

Booking fees only apply to indoor courts and are shown below.

Coaching courts

During summer (dome down)

Coaches may book:

- Courts 11, 12 and 16 at any time, provided Court 16 is not being used for social or other tennis programmes.

During winter (dome up)

Coaches may book:

- Court 12 at any time
- Courts 8 and 11 at off-peak times
- Court 11 at 6 -7pm during Mon – Friday and at 8am-2pm Saturday and Sunday

*Any clay court may be booked on the day after 8am provided there should be no more than 2 coaches coaching at any one time during off-peak hours and that there should be no more than 1 coach coaching at any one time during peak hours. The only exception to this would be if at the time of booking after 8am on the day, an additional court booking by a coach is permitted during off-peak hours, provided there is always one other court available for members when the lesson begins.

*Coaches may use the grass courts only for hitting based lessons at off-peak times. No ball hoppers are allowed on the grass courts. Only grass courts 3 and 7 may be used for coaching. Grass courts may only be booked on the day of play and only one coach may coach on the grass courts at any one time.

Coaches may book courts up to 28 days in advance. They must enter the name of their client in the booking sheets. Coaches must cancel courts at least 24 hours in advance of the booked time, failing which that time will count towards the total rental.

Coaches will be charged a facility fee of £7 per hour for courts, invoiced to them at the end of each month.

Additionally, group tennis lessons of 2-4 players may be booked 5 days in advance on any court at any time.

Members may not separately book courts for coaching.

Tennis Programmes

Court bookings for adult and junior tennis programmes must be approved by the Tennis Committee and booked by the Tennis Administrator. Court bookings for all tennis programme sessions will be visible on the booking system.

Matches

Court bookings for all representative club matches, including adult and junior teams and singles matches where opponents travel from an external club, take priority over all other court bookings.

Court bookings for the Club Championships must be booked by competitors who may book consecutive slots to ensure completion of their game within their booking time.

All representative club matches must be booked by the Tennis Administrator.

In exceptional circumstances, where matches run over their allocated booking slot, inconvenienced members will be fully refunded and their next booking provided free of charge.

Club bookings

From time to time the club may book tennis courts for multi-sport functions and events. The tennis committee works closely with the general committee to ensure these events are in the best interests of the club and the benefit to the tennis section outweighs any inconvenience to tennis members.

Court 8 is a multi-purpose sports hall and this facility is shared equally between the Club's tennis, cricket and hockey sections.

External bookings

The club occasionally receives external requests for court bookings. Each request is considered by the tennis committee on a case-by- case basis. External bookings are only approved if they provide a clear benefit to the club and tennis section at minimal inconvenience to tennis members.

Adult Programme

The Wimbledon Club has an adult programme that is aimed at different levels and standards of players. Members should assign themselves a rating based upon our TWC Tennis Self Rating System so they can judge which sessions will be most appropriate for their level. The TWC Tennis Self Rating system can be found on page 16. If a member would like one of the coaching team to assist with their rating then please contact Ross Sheppard on director@twctennis.co.uk.

Please see details of all of the adult tennis programmes below starting with the weekly schedule.

MISSION STATEMENT

Our Junior Programme aims to introduce the sport of tennis to young players of all ages, encouraging them to fall in love with the sport as they progress, so that they will wish to play it for life whether at club or even higher level.

The aim of our junior programme is to provide a fun and inclusive environment for children of all abilities. We want to provide a platform for children to develop their skills to a point where playing tennis is an acquired skill and something they will be able to play for the rest of their lives. We believe playing tennis is fantastic for a child's life skills and will teach them the important qualities of teamwork, honesty, fairness, dedication, endurance and speed. For those children who excel and wish to compete at an even higher performance level, we can recommend external programmes that they can attend to supplement their development.
